4.1 Petition to Exit the District from Albert Joseph Becko and Lori J. Becko, Owners of Pine Canyon Lot 214, APN 403-16-049

Mike Bourne reported that the required newspaper publications were done. The District notified property owners within 600 feet of Pine Canyon Lot 214 that Lot 214 had filed a petition to exit the District. Albert and Lori Becko were present at the Hearing by telephone. Mike Bourne reported that the Petitioner and the District had completed all Arizona Revised Statutes Title 48 eligibility requirements to leave the District.

John Ritter read the Becko's Petition Exhibits C and D aloud.

Exhibit C:

The water district was not appropriately appraised before sales price was defined.

We were not informed or made aware of tax liabilities and assessments as members of the district.

Conflicting legal representation between the buyer and seller.

Therefore we request to opt out of the BRDWID.

Exhibit D:

We request to opt out as stated in exhibit C. We were not made aware of taxes and assessments and other associated cost to only those members of the district. Lack of appraisal, legal conflicts, and assessments are concerns about how it is currently being promoted.

Mike Bourne asked Albert Becko to explain how and why his opinions had changed about his being a member of the District. Albert Becko said he had attended some of the early District meetings. He didn't think the purchase price had been arrived at properly without an appraisal and negotiations that

took into account the cost of repairs. He believed in the concept but thought there should have been more due diligence about negotiating a fair price.

John Ritter asked Albert Becko what would make him feel comfortable about an appraisal. When you buy a house, you normally get an appraisal that looks at comparable sale prices in the neighborhood. We looked at comparable sale prices of water companies in Arizona. Albert Becko replied that he had pulled out of buying some houses or negotiating a lower price after getting comparable sales in a neighborhood. He didn't think the District had done its due diligence in finding an accurate price through an appraisal.

Sue Davis asked Albert about his statement in Exhibit D about "assessments" as a revenue source. The District has never mentioned charging Assessments to Members as a source of revenue. The District does not plan to tax members as a revenue source nor charge members "assessments" as an HOA charges its members.

Paul Schmidt stated that the value of the company was looked at as far as assets both appreciated and undepreciated and a return on those assets. Also as John mentioned all the water sales of several companies within Arizona on a cost per connection basis were looked at in determining the fairness of the purchase price and there was negotiation on the purchase. There wasn't very much movement on the purchase price but cash on hand was negotiated on an increased basis. The value of the company was looked at.

Sue Davis didn't believe in keeping a member from leaving the District if they wanted to leave the District. Albert Becko has explained his preference clearly.

Motion 4.1: To approve Albert and Lori Becko's Petition to allow Pine Canyon Lot 214, APN 403-16-049, to exit the Blue Ridge Domestic Water Improvement District. **Moved by** Sue Davis **Seconded by** John Ritter. **Action:** Approve the Motion. **Roll Call Vote:** John Ritter, Ron Krug, Sue Davis, Mike Bourne, and Paul Schmidt voted Yes. **Those voting No:** None. **The Motion passed unanimously.** Ayes: 5 No's: 0.

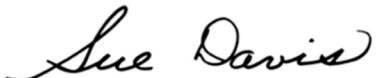

Mike Bourne appreciated the Petitioner filling out the application and appearing at the meeting. Albert Becko thanked the Board for listening and responding to him.

The Resolution allowing Pine Canyon Lot 214, APN 403-16-049, to exit the Blue Ridge Domestic Water Improvement District will be signed, attached to these Minutes, recorded with the Coconino County Recorder and filed with the Arizona Department of Revenue.
