

**Meeting Date:** January 15, 2022

**AGENDA ITEM:** Consider and approve allowing parcel APN 403-84-073 into the Blue Ridge Domestic Water Improvement District

**TO:** BRDWID Members of the Board

**From:** John Ritter, BRDWID Board member and Chair

**SUBJECT:** Consideration and possible action to add a land parcel to the water district.

**RECOMMENDED MOTIONS:**

1. Approve allowing parcel APN 403-84-073 to be included in the district

If approved a resolution by the board will be used to update the district membership list and will be sent to the Coconino County Assessor and the County Recorders office.

**BACKGROUND:**

Inclusion of property into the district is covered by ARS 48-1014 Section C and allows a property to be added to the district without a formal petition if the governing body determines that inclusion will benefit the district.

Adding new members to the District is in the best interest of the District because it allows a broader voter base and more board candidates.
