

BRDWID FAQs

What are the costs involved to enter or leave the District.

ARS 48-1014 provides the steps needed to enter or leave the district.

To enter the District the owners of property adjacent to the district must submit a letter to the board of the district requesting to be added to the District. The board will then determine if inclusion of the property will improve the District. If the board allows inclusion the property owners will be billed for the recording fee of the revised district member list and related mailing costs.. These fees will be split among all who submitted a letter.

To leave the District the owners of the property must submit a petition to the board of the District requesting to be removed from the district. A hearing will be set, public notices will be printed in local newspapers and notifications will be mailed to adjacent property owners. After the hearing board will determine if removal of the property will impact the District. If the board allows removal the property owners will be billed for the notification mailings and recording fee of the revised district member list. These fees will be split among all who submitted a petition.
