I would be honored to serve as a Board Member for Blue Ridge Water Improvement District.

I feel that I have experiences and resources that would be of value to the Board and the Community, especially at this time where we shall be facing many challenges acquiring the Starlight Water Company.

Current job experience:

Licensed Arizona Contractor working in the field of HVAC Industrial Water Treatment. I own my business and have held the license for 15 years.

Lead Instructor for the Associates Degree MME Mechanical Maintenance Program, seven years, RSI Refrigeration School, Phoenix.

Military:

US Navy, 1972-1976, USS Miller. Supervisor for all HVAC equipment and Department.
US Navy, 1982-1985, Naval Hospital Long Beach. Head, Financial Management Branch.

School/Education:

University of Iowa, Bachelor Business Administration 1979
University of Iowa, Master of Arts, Hospital Administration, 1981

Note:

I purchased my lot #298, 17 years ago. Started construction two years ago, completed September 2022.

I have a deep concern for water resources and the management of such systems. As we are learning, this resource is at the forefront of discussions, locally and globally.
