V. Exhibit C
Describe the Necessity for this addition or alteration

Petitioner shall describe the necessity for the proposed addition or alteration.

We want to opt out of the water district because of the inaccuracies and incomplete process in which this entire process evolved. We initially signed up for the district as it appeared that it was either join or be left out without specific rights. Furthermore, being a member of the district will come with added financial responsibilities, in the form of additional taxes and assessments for us, and we cannot support that financially. As the process of joining was began, we were told that either opting in or out is easy and the district would not prevent anyone from doing either. Other reasons for opting out is the fact that no appraisal or inspection has been completed prior to entering a sales agreement with the previous owners so we don't know what kind of product and equipment we would be receiving, what shape it is in or how much repair is immediately necessary. The concept of having the same lawyer representing the buyer and seller throughout the sales process is inappropriate and would benefit the sellers.

VI. Exhibit D

PETITION REQUESTING THE REVISION OF THE BLUE RIDGE DOMESTIC WATER IMPROVEMENT DISTRICT OF COCONINO COUNTY, ARIZONA

Petitioner to describe how the public convenience, necessity or welfare will be promoted by the addition or alteration of the district and that the property to be included in the district will be benefited.

Besides the reasons stated on exhibit C, out of necessity to secure our financial welfare,

we cannot be responsible for taxes, assessments or liens on behalf of the district and all homeowners

who are not members of the district. We understand that we will still be responsible for water fees from any water company owner, however, not the taxes assessed to only the district members, as proposed.

Being a member of the district offers no additional benefits other than additional costs to its members.

We will still be provided water whether or not we are district members and will still be responsible for the costs associated with the providing of water to our home.

Multiple horizontal lines for additional text or comments.
