V. Exhibit C
Describe the Necessity for this addition or alteration

Petitioner shall describe the necessity for the proposed addition or alteration.

We are requesting to opt out of the district, since we never signed the petition to be in the district. When Mr Wene represented BRDWID at the CCBOS meeting, he stated that if anybody wanted out of the district, it's a simple opt out process, as BRDWID would not want to keep anyone in the district, that didn't want to be in the district. Since our property was included in the district, and we did not petition to be in the district, and BRDWID never legally reached the 51% needed, we must assume we were falsely included, as were many others, to make the CCBOS think the 51% threshold was met. We respectfully request to be removed from the district.

VI. Exhibit D

PETITION REQUESTING THE REVISION OF THE BLUE RIDGE DOMESTIC WATER IMPROVEMENT DISTRICT OF COCONINO COUNTY, ARIZONA

Petitioner to describe how the public convenience, necessity or welfare will be promoted by the addition or alteration of the district and that the property to be included in the district will be benefited.

Public welfare will be promoted by the board if they can start being honest. Respect those of us that never sent in a petition to be part of the district. I find it quite dishonest for the board to include those of us that did not want to be in the district, to fraudulantly include us, so they could mislead the Coconino County Board of Supervisors into believing that BRDWID had reached the 51% needed to form the district. Had the formation of the district been formed properly, with an appraisal, and inspection of the infrastructure, I would be in favor of controlling our own water with BRDWID.

We respectfully request to be removed from the district.
